Abstract: Determining the level is the research's goal. The purpose of this study is to assess the Hemaq Beniung Customary Forest's protection and preservation in Juq Asa Village, Barong Tongkok District, in accordance with Regional Regulation Number 6 of 2014, as well as the issues that impede these efforts, and maintaining the West Kutai Regency Regional Regulation No. 6 of 2014 by implementing it in Juq Asa Village, Barong Tongkok District's Hemaq Beniung Customary Forest. The study's findings demonstrate how successfully West Kutai Regency regional regulation no. 6 of 2014, which addresses the preservation and protection of the Hemaq Beniung Traditional Forest, has been put into practice. This is demonstrated by the community's, village government's, and local regional government's measures, which include planting trees and enlisting government personnel to protect customary forests. Then, in order to conserve customary forests, the Juq Asa Village administration created Juq Asa Village rule number 1 of 2017. But there are a number of challenges in putting it into practice, including the fact that some members of the community are unaware of the need to preserve the forest, the absence of guard stations, and the shortage of government employees to keep an eye on the Hemaq Beniung traditional forest.

Keywords: Implementation, Regional Regulations, Customary Forests

Abstrak: Menentukan tingkat tersebut merupakan tujuan dari penelitian ini. Tujuan dari penelitian ini adalah untuk menilai perlindungan dan pelestarian Hutan Adat Hemaq Beniung di Kampung Juq Asa, Kecamatan Barong Tongkok, sesuai dengan Peraturan Daerah Nomor 6 Tahun 2014, serta isu-isu yang menghambat upaya-upaya tersebut, dan mempertahankan Peraturan Daerah Kabupaten Kutai Barat No. 6 Tahun 2014 dengan mengimplementasikannya di Hutan Adat Hemaq Beniung di Kampung Juq Asa, Kecamatan Barong Tongkok. Temuan penelitian ini menunjukkan betapa berhasilnya Peraturan Daerah Kabupaten Kutai Barat No. 6 Tahun 2014, yang mengatur tentang pelestarian dan perlindungan Hutan Adat Hemaq Beniung, dipraktikkan. Hal ini ditunjukkan dengan adanya upaya-upaya yang dilakukan oleh masyarakat, pemerintah desa, dan pemerintah daerah setempat, yang meliputi penanaman pohon dan melibatkan aparat pemerintah untuk melindungi hutan adat. Kemudian, untuk melestarikan hutan adat, pemerintah Desa Juq Asa membuat peraturan Desa Juq Asa nomor 1 tahun 2017. Namun, ada beberapa tantangan dalam pelaksanaannya, termasuk fakta bahwa beberapa anggota masyarakat belum menyadari perlunya menjaga kelestarian hutan, tidak adanya pos jaga, dan kurangnya pegawai pemerintah untuk mengawasi hutan adat Hemaq Beniung.
