| Vol. xx, No. xx Page: Published: KEYWORDS Peran Lurah, Pembangunan Fisik | This study aims to identify and describe the role of the Head Village in Improving Physical Development Village, West Bontang District, Bontang City. The focus of research in the Study of the role of the Head Village in improving Physical Development in the Belimbing Village, West Bontang District, is the role of the Lurah as a direction maker, spokesperson, communicator, mediator and integrator. Sources of data and informants in this study were the Village Head of Belimbing Village, Secretary of the Belimbing Village, Head of Economy and Development Section of the Belimbing Village and the people of the Belimbing Village. Data collection techniques used were purposive sampling and random sampling. The results of this study can be concluded that the Head Village Role in Enhancing Physical Development in the Belimbing Village, West Bontang Subdistrict, is quite good at carrying out its role as a determinant of the Head Village direction in making decisions based on suggestions from the community, as the spokesperson for the Lurah is quite good at conveying information using language that is easily understood by the community, as a Head Village communicator is good at giving directions both orally and in writing, as a Head Village mediator is quite good at finding solutions related to fair and equitable development, as well as an integrator Lurah plays a pretty good role in unifying the mindset and views of the community both in residential areas and outside housing so that the physical development carried out can be fire and equitable without any differences among the community. |
