Abstract
Academic procrastination or commonly called procrastinating in doing assignments is a phenomenon that always occurs, especially in students, students are more interested in playing than doing tasks that should be their responsibility and also sometimes students are more interested in playing together with their peers than doing tasks given by their teachers, this is commonly known as conformity. This study was to see the relationship between conformity and academic procrastination in students of SMP Negeri X Samarinda. The quantitative method was carried out on 100 subjects of SMP Negeri X Samarinda students through purposive sampling technique. The scale of academic procrastination and conformity is a measuring tool for collecting data. Data processing data analysis methods are applied using SPSS 23.0 computer. The results showed a positive correlation ($r = 0.02$) with $r < 0.50$ indicates that the higher the conformity of students of SMP Negeri X Samarinda, the higher the academic procrastination of students.

ABSTRAK
Prokrastinasi akademik atau yang biasa di sebut menunda-nunda dalam mengerjakan tugas merupakan fenomena yang selalu terjadi khususnya pada siswa, siswa lebih tertarik untuk melakukan aktivitas di luar mengerjakan tugas yang seharusnya mereka kerjakan dan juga terkadang siswa lebih tertarik bermain bersama dengan teman sebaya atau bermain mengerjakan tugas yang diberikan oleh gurunya itu dibanding belajar dengan konformitas. Penelitian ini guna untuk melihat hubungan antara konformitas dengan prokrastinasi akademik pada siswa/siswi SMP Negeri X Samarinda. Metode kuantitatif dilakukan pada 100 subjek siswa SMP Negeri X Samarinda melalui teknik purposive sampling. Teknik pengumpulan data menggunakan skala untuk mengukur prokrastinasi akademik dan konformitas. Metode analisis data menggunakan SPSS 23.0 komputer. Hasil penelitian menunjukkan terdapat korelasi positif ($r = 0.02$) dengan $r < 0.50$ menunjukkan bahwa semakin tinggi konformitas siswa/siswi SMP Negeri X Samarinda, semakin tinggi prokrastinasi akademik siswa/siswi.

Keywords: Procrastination, Conformity

Kata Kunci: Prokrastinasi Akademik, Konformitas
